v.	§	
	§	
JACK STEPHEN PURSLEY,	§	
	§	
Defendant.	§	

**DEFENDANT'S RESPONSE TO GOVERNMENT'S EXPERT WITNESS NOTICE**

TO THE HONORABLE COURT:

COMES NOW, JACK STEPHEN PURSLEY (“Defendant” or “Pursley”), by and through undersigned counsel, Michael Louis Minns and Ashley Blair Arnett, and files this Response to the Government’s Expert Witness Notice.

Pursley has no objection to the Government’s use of a summary expert witness or the use of summary charts—assuming, that the defense is afforded the same opportunity and the Government timely provides reports and charts.

Defendant also requests that the Government comply in its entirety with Federal Rule of Evidence 1006, including by ensuring that all documents that will be summarized have been provided to the defense. *See United States v. Apodaca*, 666 F.2d 89, 95, 95 n.16 (5<sup>th</sup> Cir. 1982) (“recognize[ing] the problems associated with permitting the presentation of a summary of the evidence in a criminal case,” which “enables the government to invade the province of the jury” by the “witness’s attempt to evaluate the evidence”; citing cases). Obviously, the Government abuses its opportunity if they seek to hide the documents in this complex case and avoid giving Pursley time to review them. At this point Pursley does not have sufficient notice to prepare and

we are nearing the eve of trial. The Government is also not entitled to use its “witness” to offer an interim “closing argument” from the stand.

Defendant requests if the Government is allowed a “summary expert witness” that the Court will instruct the jury that any summary witness or summary exhibit is not evidence. United States v. Armstrong, 619 F.3d 380 (5<sup>th</sup> Cir. 2010); United States v. Gray, 507 F.2d 1013 (5<sup>th</sup> Cir. 1975).

Respectfully submitted on October 22, 2018
